Hi sorry for the delay in responding.

Dockton was approved by the UTRC last month. I've been slammed and unable to get the approval letter out yet, but will do so very soon.

Also, the link for the appendices has expired and I can't seem to find the copy I saved. Can you please send a link again? Thanks.

PLEASE NOTE: I'm now only working on a part-time interim capacity for King County, and I anticipate responding within 2-3 business days. I appreciate your consideration for any delay in responding.

Hello,

Sorry for the late notice, but the UTRC will be reviewing your SWSMP tomorrow at their meeting. You can attend if you like and are able. I'm recommending approval by the UTRC since the system is non-expanding and covered under a SWSMP.

Is it possible to get the Appendices sent before the meeting? I have a few questions that might be answered by reading them.

The meeting is tomorrow (10/19) at 2:30pm and the invite link is below my signature.

Cheers,
